

Waiver

The undersigned acknowledges that the sport in question is a full-contact sport, which inherently carries risks and/or can cause injuries, and for which the trainers are not liable. For possible corrections of techniques or movement forms, training-relevant touches and the readjustment of one's own body are allowed. Participation in training for minors is conditional upon the consent of their legal guardians, who must co-sign a consent form in this case. The trainers are not liable for items brought into the training room. This applies in particular in connection with any damages to them and in case of loss. Likewise, the trainers are not liable for physical injuries to participants, especially caused by improper use of equipment and/or the behavior of third parties. The undersigned assures that they meet the health requirements for participation in the training and has consulted a doctor regarding their health condition. If this is waived, they do so at their own risk. For health risks, including those currently unknown, the boxing club BXN Graz e.V. and the trainers are not liable in the event of an accident or damage. Any illness and sudden changes in condition such as nausea, dizziness, pain, rapid heartbeat, or similar are to be immediately reported to the trainers, and training is to be stopped if necessary. If the undersigned is not insured against accidents and injuries that may occur during training, they train at their own responsibility. The same applies to the direct journey to and from the training location.

Cancellation

In case of violations of instructions from persons appointed to supervise the training, the trainers reserve the right to terminate or dissolve the contract immediately after an unsuccessful warning. Furthermore, Boxclub BXN Graz e.V. also reserves the right to reject persons who are subjectively deemed unsuitable in character.

Boxclub BXN Graz e.V. reserves the right to change the location of the training at any time within Graz. The undersigned accepts and understands that changes in the training location are part of participating in the training and do not provide a basis for contract termination or refund. Boxclub BXN Graz e.V. commits to informing participants in a timely manner about changes in the training location.

Data Protection

The undersigned agrees to the electronic processing of the filled-in data, as well as to the sending of promotional materials by email and phone. This also applies to the publication of image and sound recordings made for advertising purposes during training. It is also acknowledged that areas such as the reception and training area are under video surveillance to ensure the protection of the property of Boxclub BXN Graz e.V. and the trainers, as well as to support the prevention, containment, and investigation of criminally relevant behavior. The evaluation of the surveillance material is exclusively carried out in the case defined by the purpose.
